

2025

Magnonics

Magnonics 2025
July 28th - August 1st
Cala Millor, Mallorca
Spain

First announcement

<https://magnonics25.sciencesconf.org/>

Aims and objectives:

Magnonics 2025 is the 9th in a series of international conferences on fundamentals and applications of magnons.

The goal of the Magnonics conferences is to bring together researchers from academia, industry and national laboratories working in the fields of magnetic materials, classical and quantum magnonic devices, nanomagnetism and spintronics in order to exchange ideas and forge collaborations in the field of magnonics.

Dates and location:

The conference will take place in Cala Millor, Mallorca, Spain, from Monday July 28th to Friday August 1st 2025.

Abstract submission will be opened on January, 20th, 2025.

Advisory Scientific Committee:

Farkhad Aliev (Madrid)

Johan Akerman (Gothersburg/Sendai)

Christian Back (Munich)

Oksana Chubykalo (Madrid)

Sergej Demokritov (Muenster)

Michael Farle (Duisburg - Essen)

Dirk Grundler (Lausanne)

Maciej Krawczyk (Poznań)

Gregoire de Loubens (Paris)

Rosa Lopez (Palma de Mallorca)

Andrei Slavin (Rochester)

Mark Stiles (Gaithersburg)

Teruo Ono (Kyoto)

Haiming Yu (Beijing)

Organizing Committee:

Farkhad Aliev (Madrid)

Sergej Demokritov (Muenster)

Kristina Grubisic (Muenster)

Akash Kamra (Madrid)

Rosa Lopez (Palma de Mallorca)

Anna Semisalova (Duisburg-Essen)

Llorenç Serra (Palma de Mallorca)

Katrin Schultheiss (Dresden)
